CDR EXECUTIVE COACHING CERTIFICATION

Thursdays 10:00 AM to 11:30 AM CT
July 31, Aug. 7, 14, 21, 28, and Sept. 11

Become the Coach Who Delivers Transformational Breakthroughs

If you're ready to coach at the highest level, this certification is your launchpad. CDR's advanced training equips internal and external coaches with powerful tools that uncover the *why* behind behavior, the gap between intent and impact, and the personality risks that silently derail success.

This isn't surface-level coaching. It's deep, precise, and transformational. You'll learn to interpret world-class assessments and guide leaders toward a new level of self-awareness and performance they never thought possible.

CERTIFICATION INCLUDES:

PRE-REQUISITE: Experience your own 2.5 hour coaching feedback session to debrief your True Talent Profile™ (CDR 3-D Suite) results prior to attending the workshop

WORKSHOP: Facilitated by top global expert instructor for six 90-minute sessions

COACHES' RESOURCES: Manual, materials, action plans, case studies, cloud-based shared resources loaded with coaching tips and templates, articles, marketing materials, 360 Leader Scan information, press kit, access to the avatar True Talent Coach™ (CDR-U Coach), and more

POST-WORKSHOP REVIEW SESSION: Complimentary True Talent Profile™ for practice session with a leader. Participants review their practice coaching plan with a CDR instructor before going "live" with the actual practice coaching session

ONLINE TRAINING SESSIONS: Webinars Coaching demonstration and other videos and bi-monthly "Coaches Connect" live sessions

YOU WILL GAIN:

- Working knowledge of scale level scores across three assessments (Character, Risks and Drivers & Rewards)
- Definitions of subscales and performance implications
- A base knowledge of configural scoring – how connecting scale level and subscales manifest together across three assessments
- Best-practice techniques for coaching feedback of assessment results
- Strategies for handling potential scoring anomalies
- Real case studies and analyzing actual profiles
- Practice coaching in safe environment including post workshop
- Familiarization with a variety of vocational profiles
- Tools to enhance your reach, coaching practice and revenue by utilizing the digital avatar coach – True Talent Coach™ and action planning platform to reach all levels
- Overview of enterprise-wide applications for assessment results: selection screening, succession planning, strategic team development, custom training, capability analysis and more.
